Phonics

Phonemes the sounds that are found within a word

www.youtube.com/watch?v=5J2Ddf_0Om8

Strategies to read

- ▶ Blending is when we merge sounds together.
- ▶ Segmenting - The whole word is spoken aloud then broken up into separate sounds.
- ▶ Fred Fingers
- ▶ Tricky words

Year One Phonics Screening Check

- ▶ The **phonics screening check** is a short assessment to confirm whether individual children have learnt **phonic** decoding (through segmenting and blending) to an appropriate standard. It will identify the children who need extra help so they are given support by their school to improve their reading skills.
- ▶ There are usually 40 words to read. Last year the expected level was 32 words read correctly.
