

## Feedback from Parent Questionnaire – September 2017

Many thanks for your contribution to our questionnaire over the Summer Term. Your feedback on how you feel your child is doing at school and how Chandos is performing is always very important to us and has been overwhelmingly positive.

The full analysis is available on our website, under the Parents' section. The key messages are presented below.

### **School Lunches**

We are continuing to work closely with our lunch time providers, Churchill. We will be conducting a review of the provision over the coming two terms.

### **Parental Links**

We always insist on an open door policy if anyone has any issues they wish to discuss. We are always keen to enhance opportunities for parents to get information about their children and to share ideas for the school. We have already extended our February Parents Evening to start earlier in the school day, enabling more time to meet with teachers. This could be developed further. We are going to investigate the possibility of setting up a Parent Forum this year. Watch for updates on the newsletter. We will be in touch shortly.

### **School Governors**

Our chair of governors, Christine Cushing, has been in post for 6 months. She is well known among staff and visits the school regularly. However, she is keen to ensure parents know who she is. She is often available to see parents on parents evening.
