

School Council - 16 October 2017

Your challenge: Pupil Jobs and Responsibilities

There are lots of children who help in school. Some helpful jobs include:

- Distributing letters
- Taking fruit to the classes
- Helping on the break time snack bar

I would like you to speak to the teacher and the children in your class and ask them what other jobs and special responsibilities we could ask children to do around school.

When you have spoken to your class, we will meet again and agree if there are other jobs that are needed.

We will then advertise for these new jobs and ask children who are interested to apply for the job. We will interview them and pick the best people for the job.

Some ideas may include:

- Energy saving - making sure lights and computers are switched off at the end of the day
- Laptops and ipads - making sure they are plugged in and getting charged up

- Recycling - organising recycling collection of paper at the end of the day
- Running the break time snack bar
- Delivering letters to classes
- School ambassadors - welcoming special guests to our school
- Corridor monitors - checking coats and bags are neatly hung up and not on the floor.

What ideas have you got? I am sure you will come up with lots more...

Our next meeting will be on Tuesday 7th November at 2.30pm.

Good luck!
